AFFIDAVIT OF IRENE JOHNSON

I am over 18 years of age and do hereby depose and say:

1. I am a plaintiff in the above-captioned matter.
2. I am a single mother of two children who both reside with me.
3. Due to circumstances beyond my control including several illnesses of myself and family members including one of my children, I was unable to provide a signed verification page to my previously provided Interrogatory answers until September, 2005.
4. I am working part-time and I am also attending nursing school full-time and expect to complete nursing school after another semester.
5. I am solely responsible for payment of my nursing school bills.
6. I am income eligible for and receive public assistance.
7. I expect my financial situation to improve once I complete nursing school.
8. I request that if I am ordered to pay any payment to the defendants' attorneys that I not be required to pay until the case is completed which I anticipate being around the same time that I will begin work as a full-time registered nurse and when I anticipate being in a better financial position to do so.
